### IVC Academy

#### 2017 Calendar

**IVC Academy**

This gives a flavour of some of the fantastic internal training opportunities designed specifically for our vets within IVC. These will include a wide range of clinical and non-clinical CPD, with an emphasis on practical CPD, and working with your colleagues to learn and develop your skills.

Watch this space for the new Vet Academy, which will offer a unique programme of CPD for our first opinion vets, and have a look at the IVC Academy section of the IVC monthly bulletin where you will find all internal training for our vets.

### Vet Development

**Vet Development**

The Nurse Academy provides a unique opportunity for newly qualified nurses to join a structured 12 month CPD programme. Joining a supportive network of newly qualified nurses, the Academy offers outstanding benefits of over 100 hours of CPD worth £2000 and 12 CPD days.

Quarterly CPD sessions are accompanied by unlimited E-CPD, BVNA membership, attendance at Europe’s largest sole VN congress, an in-practice Nurse Mentor & the advantage of career progression support. The Nurse Academy is an exclusive, engaging & valuable programme of integration into the veterinary nursing profession. To ensure your opportunity to be a part of this industry-leading programme, email: nurseacademy@independentvetcare.co.uk

### Vet & Nurse Refresh

**Vet & Nurse Refresh**

Our Nurse Refresh programme welcomes veterinary nurses back to the profession with a flexible, supportive 3 month CPD package. An allocated Nurse Mentor will guide a structured induction day for that first day back into practice. An exclusive 12 week online course provides accessible & varied learning across a wide range of essential nursing topics. Furthermore, Refresh Nurses will also attend a Clinical Workshop for key practical skills & enhance the understanding of veterinary nursing fundamentals.

The Vet refresh programme is designed to introduce vets back into the profession, and to make their return as easy as possible. There will be a range of CPD opportunities as part of the overall programme which will include practical, lecture based and online CPD. More information on this will be available in early 2017.

### Reception Academy

The Reception Academy has been specifically designed for IVC receptionists, to give them the opportunity to attend and get involved in a wide range of interesting and interactive learning and development. Our reception teams are essential to the successful running of our practices and the Reception Academy will help support and develop them in their roles.

This includes The Exceptional Receptionist training, which will be available early 2017 at a practice near you, and a range of other training modules which you will see highlighted in the calendar.

Keep watching the IVC Monthly Bulletins for up to date information on forthcoming sessions and dates.

### Quarterly CPD

#### Nurse Evolve CPD Roadshows

Nurse Evolve welcomes all IVC veterinary nurses to achieve beyond their potential with accessible, affordable CPD. The quarterly CPD Roadshows deliver a range of engaging topics in various locations throughout the year. Nurse Evolve events offer the opportunity to meet other IVC nurses from a range of nursing roles to share clinical excellence and promote application to nursing practice.

#### CPD for Vets

This has been developed following feedback from our vets about the kind of training that they would like IVC to deliver. In particular, there is a focus on practical clinical skills delivered by highly regarded IVC specialists and our internal teams in various locations across the United Kingdom. The calendar gives a flavour of the available CPD which will be enhanced throughout the year. More information is available in the CPD section of the monthly IVC bulletin.
